EDUCATION

University of Portsmouth
September 2019 – Present
BA (HONS) Fashion & Textile Design
1st Year achieved a 2:1

❑ CORE SKILLS IN FASHION AND TEXTILES

Learned further more about pattern cutting, garment construction, design drawing and textile design. Learned many useful skills and techniques this including using screen printing and incorporated this technique into my design ideas.

SKILLS: SEWING MACHINE (INDUSTRIAL AND DOMESTIC), INDUSTRIAL OVERLOCKER, SCREEN PRINTING (fig.1), HAND EMBROIDERING AND HEAT PRESS, HAND DRAWING

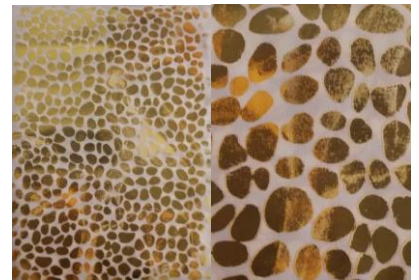

fig. 1

❑ DIGITAL DESIGN FOR FASHION AND TEXTILES

Used Photoshop and Illustrator to explore creative techniques and skills that allowed me to further my knowledge in the digital software. Through this unit we looked at the treatment of hand rendering artwork, rendering working drawing, motifs, prints, colour palettes and colour ways, moodboards, fashion illustrations and final presentation boards.

SKILLS: ADOBE PHOTOSHOP AND ILLUSTRATION (fig.2), HAND DRAWING

fig.2

❑ INTRODUCTION TO VISUAL CULTURE (FASHION AND TEXTILE DESIGN)

Researched, analysed and compared different artworks by various artist in the industry. Allowing me to have an active awareness of the historical backgrounds.

SKILLS: MICROSOFT WORD AND POWERPOINT, RESEARCHING

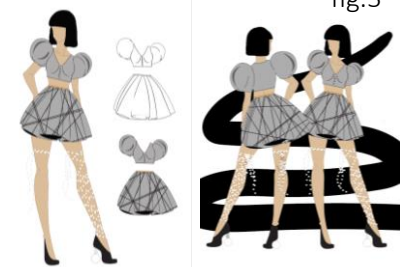

fig.3

❑ STUDIO PRACTICE

Used visual record of research and design developments of my ideas and concepts which further developed through experiments and defining ideas for the final garment. (fig.3)
